Percent of expenditures for teacher salaries**	69.0%	Down from 69.6%	67.0%	66.0%
ESEA composite index score	98.3	Up from 97.5	90.9	88.0

* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	33	87	64
Percent satisfied with learning environment	66.7%	75.8%	87.5%
Percent satisfied with social and physical environment	81.8%	80.5%	93.9%
Percent satisfied with school-home relations	78.8%	90.8%	89.4%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The School Improvement Council of Sunset Park Center for Accelerated Studies has prepared this summary report of the school's accomplishments for the 2012-2013 school year and the goals for the 2013-2014 school year. During the 2012-2013 school year, Sunset Park continued to offer our Accelerated Studies magnet program for all students in our district. This magnet program includes a Gifted & Talented clustered classroom option for G/T identified students in 3rd through 5th grades, enrichment cluster opportunities for every child, and all of our students received instruction from a G/T endorsed classroom teacher. As a result of offering this magnet option for Rock Hill students, Sunset Park has continued to experience unprecedented growth. Our enrollment numbers this year have continued to climb resulting in an 81% growth over the past five years.

This past year Sunset Park received a Palmetto Gold award for academic achievement and growth. This was the first time in our school's history that Sunset Park had received this award!

Our school staff worked together this year on a school-wide goal involving the designing and implementation of Jacob's Ladder units of study. The planning sessions were led by our G/T coach as well as our Literacy Specialist. Each academic, art, music, and media teacher planned and facilitated these lessons with a focus on increasing reading comprehension. This renewed focus on reading comprehension and designing opportunities to develop higher order thinking skills drove collaborative planning and instruction over the course of the school year. It will continue to be a driving force in 2013-2014 as we extend this school-wide goal into a second consecutive year.

Sunset Park has continued to maintain and expand our partnership with the College of Education at Winthrop University through the NetSCOPE partnership. Through this partnership, Winthrop provided our school with human and financial resources to assist us in meeting the needs of our students. We are very pleased to be able to continue this close and collaborative connection with Winthrop for the coming school year!

Sunset Park will continue to be one of only three magnet school programs in Rock Hill Schools for the upcoming school year! Due to this magnet status, we will be able to offer transportation to our students who will be coming to us from out of zone for a second year. This will continue to open up opportunities for students who may have had trouble arranging transportation in the past.

Sunset Park will continue to review all student data in order to make decisions that will positively impact student achievement at Sunset Park. We are all excited about the possibilities that lie ahead for our students and our school!

Tammy T. White, Principal
Olivia Gillcrese, SIC Chair
